... Announcement ...

In presenting this catalogue of the breeding of the animals offered in this draft sale, I do so believing the blood and individual merit is equal to any similar number ever offered in this country from one herd, as I have listed the best from my entire herd, which numbers over 250 head. I am not making this sale to close out, but because I have the cattle to sell. I expect to breed good Short Horns as long as I live. When I say good Short Horns I do not mean simply as to breeding but also as to individuality. The sale will include animals exhibited by us in many show rings, and are now in show yard condition, having for sires such bulls as Imported Cyprus 2d, Fair Goods, Imp. Villager, Avondale, White Hall Rosedale, King Cumberland, and other famous bulls of excellent blood lines. I am confident that any prospective buyer who is in need of a show cow, heifer or young bull will find it in this sale.

Cattle will be loaded on cars free of charge but will be at purchaser's risk as soon as bid off. All known defects will be pointed out on sale day. Cows with calves in sale under one year old, or forward in calf, shall be considered breeders without further guarantee. All other females of breeding age which have been bred are guaranteed breeders; all bulls of breeding age are guaranteed breeders, with proper care. If any animal should not measure up to this guarantee, we reserve the right to have such animal, in good condition, returned to our farm, and if, after six months, is still barren, we will refund the purchase price, or another animal of equal value will be given in exchange; but if it proves a breeder it shall be returned to the purchaser at his expense.

Location.—Kahoka is 20 miles west of Keokuk, Iowa, on the K. & W. division of the C. B. & Q. R. R. East bound trains arrive at 12:22 and 8:20 p. m. West bound arrives at 9:50 a. m. and 10:00 p. m. Santa Fe railroad at Medill, 3½ miles west of Kahoka, and all trains there will be met with automobile and parties conveyed to sale tent at my expense. Free entertainment. Parties from a distance will be my guests at the Hotel Huston. Sale under cover, rain or shine.

Terms.—Cash, or nine (9) months time with interest at 6 per cent., upon bankable paper. Bring bank reference. Sale at fair grounds, Kahoka, Mo., Tuesday, Nov. 25, 1913, at 12:30 sharp.

We clip the following in regard to Choice Goods from Bellows' 1910 catalogue. Mr. Bellows has undoubtedly seen more Choice Goods offerings than any other one man and is authority on the subject.

Imp. Choice Goods 186802—while in Scotland last summer we visited the herd of Mr. Durno, breeder of Choice Goods and saw the mother, Geraldine 5th. She is a cow of the true matronly type, a regular breeder and heavy milker. Remus the sire of Choice Goods, was a son of Star of Morning, and in visiting the herds of Scotland we found more good Short Horns descendants of Star of Morning than any other single bull. The sire of Geraldine 5th was the Campbell bred bull First Choice, he by the Cruickshank Brawith Bud sire Gravesend 98361 and out of Clarissa by Luminary 52566.

St. Valentine 121014—roan; got by Guardsman 108200, out of Verbena Lady by Reporter 113482; Verbena's Pride by Captain Cook 65388; Imp. Verbena by Royal Windsor 58685.

Leader of Fashion 300790—sire White Hall Marshall 209776; dam, Imp. Shenstone Princess. His prize winning record is the best of any calf in 1908, having won three grand championships and first in his class at seven out of eight shows. Through an accident a few months after making this record he was badly crippled, but has produced some of the best calves ever bred at Anoka. His lameness finally disabled him altogether, so that one of the most promising sires of recent years is lost to the breed.

Imp. Giltspur 92520—in service in the Sanger herd for many years, and sire of some fine show cattle, among them the great show cow in the Dustin herd, Victoria of Hickory Park. Imp. Giltspur won 1st prize in his class and 1st in Sweepstakes at the Wisconsin State Fair in 1888.

Imp. Young Mary—one of the most remarkable cows ever imported. She was sold at the Ohio Imp. Co.'s sale, October 29, 1836, with her daughter, Pocahontas, for \$1,500; was a large cow, but not strictly of show yard character; an excellent milker, and very prolific breeder; lived to be about twenty years old and died after giving birth to her sixteenth calf. Five of her daughters were got by Imp. Goldfinder—one of them (Hannah Moore) was exhibited at all the leading fairs of Kentucky and never suffered defeat. Young Mary's descendants, like those of Young Phyllis, are numbered by the thousands, and there is hardly a herd in the United States so good but what its owner can, with pride, point out some of his best cattle as being Young Marys.

Mr. Bellows called on Mr. Durno while in Scotland and reports that the mother of Choice Goods (Geraldine 15th) is a cow of truly matronly type, a regular breeder and heavy milker. Fair Goods is a bull of genuine Scotch character and his progeny is worthy of the most careful consideration.
